

## **Protocol when using technology** **for home/school learning**

1. You will need:

- headphones
- a device for accessing the internet
- your hwb account details
- paper/pencil/pen for note taking

2. Please log on in a communal room. (Not a bedroom!)

3. If you are using Google meet with your teacher, please mute your sound settings on your screen and turn the camera off.

4. Messages during the google meet should be work related. Your teacher will be monitoring this!

5. You will need to log on to Hwb and Google meet at 9:00am each school day, then access the register and work as directed by the teacher.
